Llongyfarchiadau! – Congratulations!

Parking

Parking in and around Radnor Primary School is still a concern and I would like to remind our families that:

We ask our parents to avoid driving and/or parking in Cardigan Street.

We ask our families to not double park in no parking zones.

If, in an emergency, parking around the school cannot be avoided please observe the following guidelines:

- **No parking on double yellow lines or the zigzags EVEN JUST TO DROP OFF your child**
- **Do not double park or stop in the middle of the road**
- Please respect our neighbours – residents' parking is for their benefit
- Please set a good example for your children - respond to requests to move on with good grace

Our Health and Safety officer will be monitoring this closely over the remainder of the summer term.

Teulu Cymru – Support for families in Wales

Earlier this week, the Welsh Government launched Teulu Cymru, a new brand which brings its main childcare and parenting campaigns under one roof.

Teulu Cymru or “Family of Wales,” is here for parents, carers and families of children aged 0-18, pointing them in the right direction for different Welsh Government sources of practical and financial support.

From parenting tips and expert development advice, to help with childcare costs - Teulu makes it a little easier to access this support in one place.

Online Safety

As part of our school curriculum, all children are taught about keeping themselves online. The internet filtering system we have in place allows access to content that is within the correct age ratings for your child. Age ratings protect your child and keep them safe when playing and interacting online from sometimes, scary, upsetting and harmful content.

We know that social media can pose many challenges to parents. Having fun and socialising is super important but remember, social media has age ratings too.

Healthy

Respectful

Inclusive

Resilient

Kind

Eco-
friendly

Arddangosfa'r Wythnos – Weekly Showcase

Mrs Swindell

Dosbarth 2

We are always busy learning in Class 2.

Check out what we have been up to so far this term!

Mrs Talbot

We started the term with a visit to Canton Library. The librarians explained some information about the history of the library. We all chose a book to bring back to school and we can't wait to go back again and change them!

We had a splashing time in maths measuring capacity! We have also learned about 3D shapes and how to round numbers. Bendigedig!

During PE we performed an Under the Sea dance and we have been practising our sending and receiving skills. In games we have been honing our cricket skills.

We love using our outdoor area and learned what seeds need to grow when we planted wild flowers and herbs.

We read the book 'Dear Greenpeace' and gathered lots of facts about whales and how we need to help protect them. We learned how to write letters and make fact sheets too. We found out lots of information during Earth Day and we have learned some ways to become planet protectors. We make sure we switch off the lights in school when we don't need them.

What a fantastic term we are having so far!
